

SOURCE's Partner of the Month – August 2016

Name of Organization: Intersection of Change

Mission: To provide programs that enrich the economic, social and spiritual issues in the Sandtown-Winchester and surrounding communities.

Programs and Services: Work to date has resulted in significant neighborhood revitalization of the 1900 and 2000 blocks of Pennsylvania Avenue through the full renovation of six previously vacant and dilapidated buildings, transformation of 18 vacant lots into community green spaces and meditative gardens, and the creation of a dozen neighborhood murals.

- **Martha's Place:** A recovery program for women overcoming drug addiction and homelessness that offers both a six-month transitional phase as well as a long-term independent housing phase.

- **Jubilee Arts:** A comprehensive art program that uses art as a catalyst for social change, as a tool for empowerment, and an alternative to the dangers of drugs and violence in the community.

Inspiration: The community we serve

Greatest Asset: Long-term commitment to the community by staff, participants, and board actually living in the community

Biggest Challenge: Limited funding and staffing

Involvement Opportunities: Support our work at our fall fundraisers
