*"The way I approach service requires a lot of unlearning and relearning."*

**What do you do as your community engagement activity?**

I volunteer at the Identity Clinic helping community members prepare applications to reclaim their vital records. I also volunteer at the Commodore Johns Rodgers School now and again, but am hoping to be volunteering there more regularly!

**How much time do you spend on service per week/month?**

4 hours

**How did you begin to work with your community-based organization (CBO)?**

I had heard very good things about the Identity Clinic in the past and joined the program after seeing one of their announcements that they were in need of Spanish-speakers.
