

SOURCE Champion of the Month
May 2016

Jennifer Plotkin

Johns Hopkins School of Medicine
1st Year Medical Student

“The best projects are those that center around a community-defined need. Thus, one can be sure that what they are doing is something that is needed in the community.”

What do you do as your community engagement activity?

HIV Counseling and Testing at the Harriet Lane Clinic (HLC) and Coordinator for the Community Adolescent Sex Education Program (CASE)

How much time do you spend on service per week/month?

28 hours per month

How did you begin to work with your community-based organization (CBO)?

I began working with the HLC and CASE my first semester of medical school. With CASE, I taught in an 8th grade boys classroom. This semester, I am co-coordinating the program with one medical and two public health students.
