

# SOURCE's Partner of the Month – DEC 2014

**Name of Organization** Wolfe Street Academy

**Mission** Prepare students for success in middle school and the 21st century workforce

**Programs and Services** Wolfe Street Academy is a Baltimore Curriculum Project public charter school in Upper Fells Point, serving grades Pre-K through 5. We have an after-school program which runs M-F and serves 85% of our students

**Inspiration** This fall, the Abell Foundation ranked Wolfe Street Academy #2 among all public elementary schools in the City in the performance of its students on the Maryland School Assessment Test. Wolfe's great results are further proof that despite 94% of our students coming from low-income families all children can learn when given the opportunity!

**Greatest Asset** Wolfe Street Academy is a Community School, and incorporates the talent and support of a dedicated and professional staff, parents and many community partners and volunteers

**Biggest Challenge** Over 94% of our students come from low-income families, and 75% speak Spanish at home. Over 50% of our students receive English as a Second Language instruction at school

**Involvement Opportunities** Individual tutoring during after-school hours once a week, 3-4 or 4-5 pm. Mentoring or occasional translation for family events. Assistance with after-school sports such as soccer, baseball and tennis. We are open to new ideas!
