

# SOURCE's Partner of the Month – February 2015

**Name of Organization:** Southeast Baltimore Early Head Start at the Kennedy Krieger Family Center

**Mission:** A place where parents and children come together for nurturance and education during the first three years of parenting a new life.

**Programs and Services:** Comprehensive child development in the Center; home visitation for all families. Adult education that includes GED, ESL, parenting, health education, family literacy, creation of home library for all children, and much more.

**Inspiration:** To help parents create a loving environment for their children and prepare the family for their next steps in education and life.

**Greatest Asset:** Staff who are devoted to working with underserved families

**Biggest Challenge:** Helping families fulfill their full potential

**Involvement Opportunities:** Tutoring adult education classes, working with infants and toddlers in a licensed child development arena. We are always accepting donations of in-kind items and volunteers!
