5. **Report Your Community Involvement! Volunteers, Interns, FWS, Academic Courses, etc.**

Whether you were involved with the community for a short period of time or a long period of time, we need to hear about it – even if you did not use the SOURCE resources. Information will be used for: reports to the community, SOURCE reports and resources, JHU-wide reports, and more. Additionally, we follow up with community-based organizations and share feedback, recommendations, and successes with them. The online feedback and reflection reporting form is located at:

www.jhsph.edu/source/Students/index.html  *(scroll to Feedback and Reflection)*

*Please take a few minutes to fill out the simple online form. Encourage others to report their involvement, too. We cannot stress how important it is to report your community involvement experiences.*

For more information on any of these items, please contact SOURCE at 410-955-3880 or source@jhsph.edu, www.jhsph.edu/source
