Practice Information Session
September 6, 2017

Office of Public Health Practice & Training
Beth Resnick, DrPH, MPH, CPH
Director
Office of Public Health Practice & Training,
MSPH in Health Policy, and MPP Programs
Associate Scientist, Health Policy and
Management

Paulani Mui, MPH
Assistant Director
Office of Public Health Practice & Training
Research Associate, Health Policy and
Management

SOURCE (Student Outreach Resource Center)
Mindi B. Levin, MS, CHES
Founder and Director, SOURCE
JHSPH Faculty Appointment, Health Policy and Management
Agenda

• Introductions
  – Office of Public Health Practice & Training
  – MPH Practicum Team
  – SOURCE (Student Outreach Resource Center)

• Courses with a Public Health Practice Component

• Opportunities through SOURCE

• Other Practice Resources
Bridge the gap between research and application by engaging students and faculty in professional public health practice opportunities. Improve and advance the capabilities of the public health workforce and develop skills for the next generation of public health professionals.

Josh Sharfstein, Associate Dean for Public Health Practice & Training
Beth Resnick, Director
Paulani Mui, Assistant Director
Nicholas Engquist, Administrative Coordinator
Robin Dranbauer, Administrative Assistant
Daniel Barnett, Associate Professor
Lainie Rutkow, Associate Professor

Office of Public Health Practice & Training Activities

- Maryland Association of County Health Officers (MACHO)
- Anna Baetjer Society (ABS)
- Programs & Internships (e.g. PHASE!)
- Networking with faculty involved in practice work
- Twitter Chats, Pop-up Practice Seminars
- Special studies/independent projects
- Other activities that promote the interaction between JHSPH and the practice community (e.g., field trips, grand rounds, etc.)
Practice Office / MPH Practicum Drop-In Office Hours

Date: Tuesdays
Time: 12 – 1:15 pm
Location: Daily Grind (SPH, 615 N Wolfe St, 2nd floor)

For individual appointments at other days/times, please email pmui1@jhu.edu

- Learn more about Practice Office activities or other ways to engage with the practice community
- Find out about internship/practicum opportunities
- Ask questions about the MPH practicum requirement
MPH Practicum Team

- MPH Office
  - Paul Whong – MPH Senior Program Manager
  - Janet Carn – Academic Coordinator for Full-time Students
  - Katie Cruit – Academic Coordinator for Part-time Students

- Office of Public Health Practice and Training
  - Beth Resnick – Director
  - Paulani Mui – Assistant Director

- SOURCE (Student Outreach Resource Center)
  Baltimore City focus
  - Mindi Levin – Founder and Director
  - Kristen Wright – Associate Director
  - Keilah Jacques – Assistant Director of Academic Service-Learning
SOURCE (Student Outreach Resource Center)

SOURCE provides academic, professional and personal development opportunities for the members of the Johns Hopkins University Schools of Public Health, Nursing and Medicine through community outreach and service-learning partnerships with over 100 community-based organizations (CBOs) in Baltimore City.

Mindi Levin, Founder and Director
Kristen Wright, Associate Director
Shane Bryan, Assistant Director
Keilah Jacques, Assistant Director
Vanessa Pinkney, Administrative Coordinator
Carey Borkoski, Faculty Research Fellow
Glenn Ross, Community Consultant

*Courses are open to all JHSPH graduate students (even if the course is not taken for the practicum requirement)*
Public Health Applications for Student Experience (PHASE) Internship and Baltimore Community Practicum (BCP) course

Review Projects Here: https://my.jhsph.edu/Resources/SearchTools/pos
**WHAT** is the *BCP* Course and **PHASE** Internship?

- **Credit-earning courses** that provide field experience and learning in the real public health world.

- An **internship** where students apply classroom knowledge to a CBO’s, local or state health department’s public health issues.

- A **partnership**
  - Johns Hopkins Bloomberg School of Public Health
    - BCP
      - SOURCE (Student Outreach Resource Center)
      - Various CBOs and LHDs in the Baltimore area
    - PHASE
      - Office of Public Health Practice and Training
      - Maryland Department of Health
      - Maryland General Assembly
      - Johns Hopkins Hospital
      - Various LHDs in the Baltimore area
PHASE Internship Requirements

• A public health practice experience
  ▪ 6-8 hours/week, 3 terms (2nd - 4th)

• Register for PHASE Internship each term (308.851.01), after accepted
  ▪ Minimum 2 credits/term

• Once a term required check-in meetings with other PHASE students:
  Weds. Dec 6, Feb 21, Apr 11 (12:00-1:15 pm)

• Internship Agreement Form (completed with Preceptor)

• Concept Paper

• Final Paper

• PHASE Symposium Presentation Friday, May 11, 2018
  ▪ 15 minute oral presentation of your internship experience
Sample of 2017-2018 PHASE Projects

- Minority Engagement in Opioid Overdose Efforts: Lessons Learned from Maryland's Communities
- Make Impactful Public Health Policy Change: Experience the legislative process from the inside of the Maryland General Assembly
- Baltimore City Health Communications Intern
- Brain Injury, Overdose, and Substance Use: Building Capacity among Substance Use Treatment Providers and Harm Reduction Programs to Meet the Needs of Individuals with Interconnected Behavioral Health Conditions
- Accessing the Successes and Challenges of Providing Patient Navigation Services for Insured Women in the Maryland Breast and Cervical Cancer Program
- The best of both worlds! Make a difference in Baltimore City and grow your epi skills
- A Profile of Maryland’s Readiness to Respond to Public Health and Medical Emergencies by Jurisdiction
- Assessing Federally Qualified Health Centers’ (FQHCs’) Footprint in Maryland
- Local Public Health Financing Analysis & Advocacy
- Improving Evaluation of Maryland Health Plan Efforts to Reduce Health Disparities
BCP Course Requirements

- A public health practice experience
  - Over 2\textsuperscript{nd} and 3\textsuperscript{rd} academic terms
- Attendance
  - Weekly seminars in the course
    - 2\textsuperscript{nd} term: Tuesdays, 3:30 pm – 4:20 pm
    - 3\textsuperscript{rd} term: Tuesdays, 12:15 pm – 1:05 pm
  - At least ½ day per week on site
    (4 or 8 hrs/week)
- Register for 550.864.01 after accepted
  - 2-3 credits per term, Pass/Fail
- Actively engage in a practice-based project
- Submit BCP educational plan, oral presentation & paper
What is Covered in the Seminar?

- Basic concepts of service-learning, CBPR, and civic professionalism
- Practical methods for promoting partnerships between communities, public health agencies, academic institutions, CBOs and LHDs
- Effective communication skills
- Information about Baltimore’s history, health issues, leadership, and more!
Sample 2017-2018 BCP Projects

- Women’s Syringe Exchange and Overdose Prevention Program
- Community Education around Human Trafficking
- Understanding Asthma: Using a Health Literacy Lens to Increase Asthma Knowledge in the Community
- Public Health Advocate: Prescription Drug Affordability Initiative
- Evaluating Racial Similarities and Disparities in Survivor Outcomes
- Accessing Health and Human Services Information for Marylanders
- Making PrEP Real for Adolescents at Risk for HIV
- Improving School-Based Food Access in East Baltimore
BCP & PHASE Application Process

- Projects posted on-line for review *Aug 31 – Sept 18*
- Prioritize projects by your interest
  
  **You can only submit up to 5 project applications total for both BCP and PHASE.**
- Submit online application, **DEADLINE: September 18**
- Interviews **Between September 25 – October 11**
- Notify Accept/Not Accept **October 11**
- Placement notification **October 13**
- Register for 2nd term when placed
- Internships begin **2nd term (October 23)**

*Be on the lookout for announcements on activities-l and student-l listservs!*
Tips for Applying to Opportunities

• Don’t limit yourself to one opportunity, but don’t apply to too many

• Carefully review the requirements and skills needed for the opportunity

• Review the location of sites

• Craft personal statements specific to the opportunity

• Consider your interest in the project

• Plan ahead (think about other commitments and degree requirements)

• You can apply to either BCP, PHASE or both, but you cannot submit more than 5 applications total.
More Baltimore-based Opportunities

• Academic Courses (service-learning)
• Connection Community Consultants
• Service-Based Student Groups
  (ABS, Student Assembly, Child Health Society, and more!)

View our latest listings! SOURCE.jhu.edu
Service-Learning is a structured learning experience that combines community service with preparation and reflection. Students engaged in service-learning provide community service in response to community-identified concerns and learn about the context in which service is provided, the connection between their service and their academic coursework, and their roles as citizens.

Service-Learning Courses (SOURCE Faculty Fellows):

- Program Planning for Health Behavior Change Practicum (1st Term) – Vanya Jones
- Applying Reproductive Biology Literacy Through Service-Learning (2nd Term) – Janice Evans
- Implementation Research & Practice (2nd Term) – Melissa Davey-Rothwell
- Baltimore Community Practicum (2nd & 3rd Term) – Mindi Levin
- Children in Crisis Practicum (3rd & 4th Terms) applications available Oct/Nov 2017
- Food System Sustainability Practicum (4th Term) – Roni Neff and Meg Burke
- Social Context of Adolescent Health and Development (4th Term) – Terri Powell
- Schools and Health (4th Term) – Beth Marshall

Other SOURCE Supported Courses (not SL):

- Qualitative Research Theory and Methods (2nd, 3rd & 4th Terms) – Caitlin Kennedy and Pam Surkan
Responding to Community-Identified Needs

Small Teams, Short-Term Projects

• Strategic Consulting
• Fundraising Strategy and Grants
• Performance Measurement
• Communications Consulting

SOURCE.jhu.edu
Go to “Students” and then “The Connection”
Fill out a Consultant Profile Form
Submit your resume/CV to SOURCE (SOURCE@jhu.edu)
Projects will be announced during first term. 3 rounds per year.
Select your projects of interest
Diverse Connection teams are organized
Student roles are assigned
Connect with your CBO
SOURCE support, Evaluations
OPTIONAL: Register for academic credit 551.895
