SOURCE Weekly Service Scoop
The SOURCE for community involvement opportunities.

The Community Engagement and Service-Learning Center
Serving the Johns Hopkins University Schools of Public Health, Nursing and Medicine.

March 22, 2016

Due to changes in email formatting, a clean, printable copy of SOURCE’s Weekly Service Scoop can be found online in pdf format: SOURCE Weekly Service Scoop.03222016.

When responding to any of these opportunities, let the community-based organization know that SOURCE at JHU referred you. After completing your service, please report your involvement through our Community Engagement Activities Online Form (log in with your JHED ID). We love hearing about successful community engagement and also need to know about opportunities that were not fulfilling. Tracking community engagement activities is an essential function of SOURCE!

SOURCE NEWS AND SPONSORED EVENTS

1. Call for Nominations! SOURCE Service Awards – Submissions Due: Sun, Apr 3rd at 11:59pm
In conjunction with National Volunteer Week, SOURCE annually presents awards to one individual and one student group from each of the three schools: Medicine, Nursing, and Public Health. SOURCE also awards one faculty member, that has experience with or teaches a service-learning course and one mentor from a SOURCE partner community-based organization (CBO). These awards are given for outstanding service and exemplary partnership with CBOs, and are presented at the Volunteer Appreciation Luncheon during National Volunteer Week. To learn more, and view past award winners, visit SOURCE Service Awards. Submit your nomination today via the Nomination Form. All submissions must be received by Sun, Apr 3rd at 11:59pm.

2. SOURCE’s Spring Tri-School Day of Service – Sat, Apr 16th
One morning of your year can make a world of difference! Sign up for SOURCE’s Spring Tri-School Day of Service, on Sat, Apr 16th and join dozens of other volunteers in the community at partnering SOURCE community-based organizations. Don’t miss out on your chance to give back to the Baltimore community! Projects will be assigned on a first-come, first-served basis. To sign up, send an email to SOURCE at SOURCE@jhu.edu with your name, email, school affiliation, phone number, and top 3 project choices. All participants receive a free t-shirt! All projects begin and end at the School of Public Health’s Monument Street lobby. Times indicated below reflect the times that groups will be asked to meet and return to the School of Public Health.

Sites and project details are as follows:

- Blue Water Baltimore 8:35am – 12:10pm Planting trees is good for the water, good for the air and good for the soul. Get your hands dirty for clean water by joining this team to plant trees in Baltimore. – Project full!

- YO! Baltimore 8:35am – 1:15pm Volunteers will organize a professional clothing donation closet along with a food pantry for YO! clients that are seeking employment and support.

- Civic Works 8:40am – 12:10pm Participate in a workshop about native insects and their benefits to the farm ecosystem before working to complete general urban farm tasks such as weeding, mulching, watering and harvesting.

- Amazing Grace Lutheran Church 8:40am – 12:10pm Help this East Baltimore urban garden get ready for spring and summer while beautifying the landscape outside of Amazing Grace Lutheran Church! Volunteers will help weed, mulch, trim bushes and pick up trash.

- Parks and People 8:50am – 12:10pm Be a part of this multi-year commitment to increase the amount of tree canopy in the McElderry Park neighborhood and make it a greener and healthier place to live. – 2 spots remaining!

- Living Classrooms Foundation 8:55am – 2:10pm Be a part of the Baltimore Rec Fest, an event focused on people with disabilities, by signing up for this opportunity. Volunteers will help set-up the event, support a variety of sports stations, information tables and other activities. Lunch will be provided. Project PLASE 9:00am – 12:45pm Spruce up the interior and exterior of a men’s homeless shelter my assisting with general repairs and beautification projects.

- Baltimore Student Harm Reduction Coalition 9:35am – 1:15pm Learn about naloxone and overdose education by joining this group. Volunteers will assemble kits and application folder for the Overdose Education and Naloxone Distribution program. Light lunch will be provided. – Project full!

3. Nominate Your SOURCE Champion of the Month
Each month, SOURCE highlights an individual student, faculty, or staff member from among the JHU Schools of Medicine, Nursing, and Public Health who exemplifies what it means to be a champion of service in Baltimore. To nominate your champion, submit a nomination via our online form at: SOURCE Champion of the Month
4. **SOURCE Champion of the Month – Joshua Prudent**

The Champion of the Month aims to tell one story of many from individuals who commit themselves to service. This month, SOURCE proudly features Johns Hopkins School of Medicine student Joshua Prudent! Joshua spends about 8 hours a week tutoring and mentoring Baltimore City youth and organizing community activities while juggling his academic schedule. Learn how Joshua’s time in our shared community has played a role in his development as a health care professional by visiting [Champion of the Month – Joshua Prudent](#).

5. **SOURCE Partner of the Month – Roberta’s House**

Each month, SOURCE acknowledges one of its partnering community-based organizations or student groups. This month SOURCE salutes Roberta’s House! Roberta’s House believes all children and families suffering the loss or death of a loved one should have support and a safe place to heal and recover. Roberta’s House addresses grief as a public health preventive service. They offer a variety of programs and services for children, adults, teens and families. To learn more about Roberta’s House and the great work they are doing in our shared community, visit [Partner of the Month – Roberta’s House](#).

6. **SOURCE is on Social Media! Facebook, Instagram, Linkedin, SOURCE Blog, Twitter and YouTube**

Did you know? SOURCE is on social media! That's right; SOURCE is on Facebook, Instagram, Linkedin and Twitter. We also have a blog – SOURCE Reflections as well as a YouTube page. On our Facebook and Twitter pages you'll find the latest updates on events, programs, service days and more! On our Linkedin page you can join our group site and hold your own discussions. So what are you waiting for? Like us on Facebook – [www.facebook.com/JHUSOURCE](http://www.facebook.com/JHUSOURCE). Follow us on Instagram - @jhusource and Twitter – [http://twitter.com/JHUSOURCE](http://twitter.com/JHUSOURCE). Join our Linkedin - Group Site. Don’t have a Linkedin account? Visit [Linkedin](https://www.linkedin.com/) to create a profile. Sign up to follow SOURCE Reflections at [https://jhusource.wordpress.com/](https://jhusource.wordpress.com/), and subscribe to our YouTube page - JHU SOURCE [SOURCE YouTube Page](#).

7. **Can You Read, Speak, and Write in More Than One Language? Sign Up for SOURCE’s “Languages” Volunteer Program!**

Over the years, SOURCE has received various requests from our partnering community-based organizations for assistance working with clients who speak little to no English. Within our diverse Hopkins family, we have international students, faculty, and staff; individuals who have traveled the world; as well as people who are fluent in many languages. In order to assist our community partners, we are looking for Hopkins students, faculty, and staff who would be interested in using their language skills to respond to community-identified needs. Types of assistance may include: translating documents, translating during non-medical appointments (such as school orientations), phone assistance, and much more. Volunteers could be asked to be available by phone, computer, or meeting at a public location. The program will not include any medical interpreting, and will not send volunteers to any private residencies. Over 30 requested languages! If you would be willing to be called upon for your language skills, please enter your information into our database by going to: [SOURCE Language Database](#). While we cannot guarantee that a request will be made, you never know when your language skills may be able to assist someone in need!

8. **Report Your Community Involvement Experience**

Have you been involved in community activities here in Baltimore including volunteer work, service-based student group activities, community-based courses and practice in the community? If so, please take a few minutes to report your community involvement from this current academic year (only report activities since July 1st, 2014). We rely on students, faculty, and staff to report their information in order to describe Hopkins activities in the local community as well as to increase funding and support more organizations. Help us help our community by logging your service. Sign in with your JHED ID and password here: [Service Reporting Form](#). Directions for using the reporting form can be found here [Directions for Using the Reporting Form](#).

9. **Online Shopping? Shop Online to Support SOURCE and Baltimore**

Looking for an easy way to support SOURCE and the Baltimore Community? Go to [www.iGive.com/SOURCE](http://www.iGive.com/SOURCE) to shop online! Every time you shop at one of over 1,300 name-brand stores in the iGive.com Mall, SOURCE can receive a donation of up to 26% of each purchase at no cost to you. Donating to SOURCE through iGive is free and you can save money with exclusive coupons and free shipping deals from participating stores. The money raised for SOURCE through iGive is used to support ongoing student-run service programs in Baltimore. Start giving today by visiting [www.iGive.com/SOURCE](http://www.iGive.com/SOURCE). It’s a simple way to help make a difference!
10. **Weinberg Housing and Resource Center Joins SOURCE’s Partner Network!**
SOURCE is thrilled to announce that the [Weinberg Housing and Resource Center](http://www.weinberg.org) has joined our partner network! The 24-hour center is Baltimore City’s largest overnight shelter, housing 171 men, 75 women, and 25 individuals. We’re excited to work with this great organization as they continue to do great work in the Baltimore community. Weinberg Housing and Resource Center welcome to the SOURCE family!

11. **SOURCE Reflections Blog Feature: Living Classrooms “Girls on the Run”**
“Girls on the Run is so much fun!” is a cheer that Zwena Killikelly, a 7th grader who participated in the Living Classrooms’ Patterson Park Girls on the Run program came up with for her team. Girls on the Run is a 12-week program designed for girls to build their confidence, create meaningful connections and care for themselves and others. Read about Zwena’s experience as a “Girls on the Run” participant in our SOURCE blog - [SOURCE Reflections](http://www.sourcebaltimore.org/sr). Have a story you want to share about your experience working with SOURCE or the Baltimore community? Visit Share a Story for more information.

**ONE TIME VOLUNTEER OPPORTUNITIES**

12. **Volunteer Opportunities at Living Classrooms Foundation**
Living Classrooms Foundation (LCF) needs your help! LCF seeks volunteers to assist at their community health fair and to assist the Crossroads Middle School move to their new location!

**Community Health Fair and Giveaway: Tues, March 22nd 3pm-6:30pm TODAY!**
Living Classrooms Foundation is hosting a community health fair and giveaway to benefit students and families they serve in East Baltimore. The event will be at our 1601 E. Lombard, 21231 location on Tuesday, March 22nd. Volunteers are needed from 3:00 - 6:30 p.m. to assist with the giveaway and to guide people through the health fair. To sign up as a volunteer, go to [http://vols.pt/67jcUy](http://vols.pt/67jcUy). They are also looking for donated toiletries (shampoo, soap, deodorant, etc.) to use as part of the giveaway. If you have anything to donate, please contact Rebekah at Rmeyer@livingclassrooms.org.

**The Crossroads School is moving!**
Living Classrooms’ Crossroads middle school is (finally!) moving to its new building on our East Harbor Campus. After nearly three years in a temporary location, their new building is ready and they need your help to get things packed, moved, and set up before students come back from spring break. **The biggest need for volunteers is on Thursday, March 24th THIS WEEK!** and **Tuesday, March 29th**. Find specific shifts and signup as a volunteer at [http://vols.pt/ru7AWe](http://vols.pt/ru7AWe). If you have a group (5 or more people) that would like to volunteer for the move together, contact Rebekah at Rmeyer@livingclassrooms.org.

13. **SOURCE’s Spring Tri-School Day of Service – Sat, Apr 16th**
One morning of your year can make a world of difference! Sign up for SOURCE’s Spring Tri-School Day of Service, on Sat, Apr 16th and join dozens of other volunteers in the community at partnering SOURCE community-based organizations. Don’t miss out on your chance to give back to the Baltimore community! Projects will be assigned on a first-come, first-served basis. Baltimore Student Harm Reduction Coalition 9:35am – 1:15pm Learn about naloxone and overdose education by joining this group. Volunteers will assemble kits and application folder for the Overdose Education and Naloxone Distribution program. Light lunch will be provided. - Project full!

14. Volunteer at Baltimore Curriculum Project’s “Are you Smarter than a BCP 5th Grader? Fundraiser: Thurs, Apr 21st 6:15pm-8:30pm
The Baltimore Curriculum Project’s (BCP) 5th annual Are you Smarter than a BCP 5th Grader Quiz Show Fundraiser is back! BCP is gearing up and getting teams ready for a great night of fun, music and food. BCP is seeking volunteers for the day of the event to help pull off a great party. With an anticipated audience of 280 attendees, this fun-filled evening will raise money to support a variety of programs and services that empower BCP students, teachers and administrators with the tools needed to succeed. Interested in volunteering? Contact Tobi Morris, tmorris@baltimorecp.org, 410-675-7000.

15. Connections Friday and Mock Interviews at Maryland New Directions
Maryland New Directions (MND) provides the tools and training to help others meet their employment goals. MND needs your help to coach people facing career and life transitions to overcome barriers, restore self-belief and acquire skills and tools needed to secure employment. There are a couple ways to get involved and make a difference.

Connections Friday: Everyone has a career story. What's yours? MND invites you to share about you're a career journey with their job-seeking clients at Connections Friday. Join MND on Fridays, 12pm-2pm. Contact Stefanie Hopkins at shopkins@mdnewdirections.org for available dates. For more information visit Connections Friday.

Mock Interviews: Want to help eager Baltimore City job seekers ace the interview? Volunteer to lend your time and perspective as a mock interviewer to MND clients looking for work. One Thursday a month, 9am-12pm. Contact Stefanie Hopkins at shopkins@mdnewdirections.org for available dates. For more information visit Mock Interviews.

ONGOING VOLUNTEER OPPORTUNITIES

16. Enjoy Teaching and/or Coaching? Volunteer with Parks & People Foundation
The Parks and People Foundation is dedicated to supporting a wide range of recreational and educational opportunities; creating and sustaining beautiful and lively parks; and promoting a healthy natural environment for Baltimore. This environmental organization has two volunteer opportunities available:

Volunteer assistant coach: Parks & People Foundation seeks volunteers for assistant coaching positions in a variety of middle school sports teams. Teach kids the importance of sportsmanship and help them build good character through your service as a positive role model. This position is a great opportunity for enthusiastic people with a love for recreation. Knowledge of specific sports is not required! Volunteers must be 18 years of age or older and willing to commit to volunteering at least once per week for a six to eight week season. The Assistant Coach will help the head coach with running practices and games and assist to provide individual attention to student athletes in order to further develop their skills. The Assistant Coach will help the coach to demonstrate good sportsmanship, teach character education, and communicate the importance of service learning and environmental stewardship. Knowledge of particular sport is not always necessary. The ideal candidate for this position has experience working with Baltimore City youth. Volunteers must be at least 18 years old and willing to commit to volunteering at least one day per week for the entire season (typically 6-8 weeks). For more information, contact Kara Berger at kara.berger@parksandpeople.org or 410-448-5663 ext. 113.

Volunteer environmental educator: Parks & People Foundation seeks volunteers with a love for the environment to teach the importance of environmental stewardship to middle school sports teams. Environmental Educators will have the opportunity to work with many sports teams and instill a love of the environment in young athletes. This is a great opportunity for people who feel a sense of responsibility to protect the environment and want to share this with young people. The environmental education volunteer will teach and environmental education/service learning lesson to sports teams each season. The environmental education volunteer would be trained to deliver specific lessons and will be equipped with necessary supplies. The ideal candidate has some environmental background or interest and a desire to volunteer on an ongoing basis as there are sports teams
EE volunteer must be at least 18 years old. Volunteers must be 18 years of age or older and have experience in environmental science, education, or a related field. For more information, contact Kara Berger at kara.berger@parksandpeople.org or 410-448-5663 ext. 113.

17. Mentoring, Tutoring and Athletic Coaching for Local Middle/High School Students
Do you like working with middle and high school students? Do you like mentoring, making an impact and connecting with Baltimore City youth in 6th and 7th grades? Do you have a passion for teaching and helping other learn? If you answered yes to any of these questions, then you should sign up to volunteer with SquashWise! SquashWise is a long-term youth development and support program that provides tutoring, mentoring and athletic coaching to Baltimore City Public School students. The program is in need of volunteers for Monday and Wednesday tutoring sessions from 4:15pm-6:15pm now until the end of the school year. The sessions will take place at SquashWise, 3600 Clipper Mill Road, Suite 107, Baltimore, 21211. To learn more about getting involved or if you have any questions, email SOURCE Service Scholar, Anna O’Kelly, aokelly1@jhmi.edu.

COMMUNITY-IDENTIFIED SCHOLARLY PROJECT NEEDS (Internships, Practicum, Capstones, Scholarly Concentrations, Special Studies, and Other Academically-Based Project Possibilities)

18. Collegetown Underground: DIVE DEEP into Your City Program: Thurs, June 2nd – Sun, June 5th
Join 30 students to participate in a focused, immersive opportunity to learn about Baltimore outside the classroom. In four days you will deepen your connection with the inspiring community where you live and study. Collegetown Underground in West Baltimore will focus on the neighborhoods at the center of the April 2015 civil unrest. Students will begin to understand the systemic issues faced by neighborhoods, to explore the history and culture, and to connect with community leaders. The program runs from June 2nd – June 5th composed of orientation, education, action and reflection. Civic-minded students who want to learn more about Baltimore area issues and opportunities are encouraged to apply. Applications are due Fri, Apr 15th. For more information click here. To apply visit Collegetown Underground: DIVE DEEP Program. Questions? Contact kab@baltimorecollegetown.org with “Collegetown Underground Application” in the subject line.

19. Commodore John Rodgers Making Every Day Count: Every Kid, Every Day Project
Under the Race to the Top and School Improvement Grants programs of the Obama administration, there are four strategies available to schools: Turnaround, Restart, Transformation, and school Closures. Federal grant money were made available to state education agencies who then re-allocated funds to local education agencies that contained consistently low performing schools and were committed to one of the four models to “turn around” a school’s performance. The Turnaround Model is one of the four strategies that a local education agency can choose to implement in its local schools in an effort to raise student achievement. In 2010, the Commodore John Rodgers Elementary/Middle School was ranked 872nd out of 875 schools in Maryland by the Baltimore Sun as well as labeled a turnaround school by the local education agency due to poor academic performance and safety concerns. The school mission is “From Commodore to College: 100% for 100%” and is visible everywhere you go in the school. The staff continues to grow, with one of the highest staff retention rates in the city. Momentum is building and students are moving closer to fulfilling the 100% for 100% mission, but the school is far away from the turnaround being complete. Utilizing a community school model, Commodore seeks to serve students and their families holistically through family engagement, financial and health workshops, and more. The school seeks a volunteer to develop a sustainable grant application process for the school to track relevant grants for a variety of programs (finance, health, attendance, community, etc), outline the requirements of the grants and create a repository system for key information to be stored. For more information about the project and to apply click here.

20. Are you interested in learning about Food Sustainability? Do you want to get involved in Baltimore City this spring? Register for the Food Systems Sustainability Course! “JHSPH Students Only”
Learn about Food System Sustainability and how community-based organizations in the Baltimore area are focusing on it this spring by registering for the Food Systems Sustainability Course!
Description:
Converging crises in resource depletion and contamination, climate change, and population – and extensive food waste, inefficiency and overuse – combine to create unprecedented threats to longterm food security and thus to the public’s health. There is need for effective, system-oriented responses, with concern for impacts on inequities. Addressing these environmental crises often yields nutritional and other public health co-benefits. This practicum course provides students the opportunity to learn about selected food system sustainability issues, assist organizations working for positive change, and learn from the experience.
This is a 3-credit course including 2 hours/week in-class and 4 hours/week out of class for practica. In class, one of the two hours is devoted to discussion of student experiences at their sites. The second hour will introduce selected topics in food system environmental sustainability, including guest speakers who will be invited to give interactive talks on their various topics related to food system sustainability. Students will be assigned relevant readings, and will also be asked to maintain journals about their practicum experiences. Interested students should register for the course before the start of 4th term. Questions? Email Meg Burke (mbburke@jhu.edu).

FUNDING, FELLOWSHIPS, GRANTS, SCHOLARSHIPS AND AWARDS

21. Call for Nominations! SOURCE Service Awards – Submissions Due: Sun, Apr 3rd at 11:59pm
In conjunction with National Volunteer Week, SOURCE annually presents awards to one individual and one student group from each of the three schools: Medicine, Nursing, and Public Health. SOURCE also awards one faculty member, that has experience with/ or teaches a service-learning course and one mentor from a SOURCE partner community-based organization (CBO). These awards are given for outstanding service and exemplary partnership with CBOs, and are presented at the Volunteer Appreciation Luncheon during National Volunteer Week. To learn more, and view past award winners, visit SOURCE Service Awards. Submit your nomination today via the Nomination Form. All submissions must be received by Sun, Apr 3rd at 11:59pm.

22. Seeking Nominations for the 14th Annual Diversity Recognition Awards, Deadline of Fri, Apr 8th
The Johns Hopkins Institutions Diversity Leadership Council is seeking nominations for its 14th annual Diversity Recognition Awards. These awards recognize exceptional contributions of faculty, staff and students in advancing and celebrating diversity and inclusiveness at Johns Hopkins. Faculty, staff and students from all divisions of Johns Hopkins are eligible to receive the award. Current members of the Johns Hopkins Institutions Diversity Leadership Council are not eligible to be nominated. Previous award recipients are eligible six years following receiving their last award. Individuals may nominate themselves, or be nominated by any member of the Johns Hopkins community. The criteria for this award are: a demonstrated commitment to the advancement of diversity, inclusion, and/or multiculturalism and specific efforts and activities supporting diversity and inclusion that are above and beyond the nominee’s regular duties and responsibilities. Submit a nomination at http://web.jhu.edu/dlc/our_events/diversity_awa rds/award_nomination/. The deadline for receipt of nominations is Friday, April 8, 2016. Questions? Contact Erin Gleeson at egleeso2@jhu.edu.

23. Submit Your Ideas Today! The Idea Lab: Crowdsourcing Hopkins Innovation-Submissions Due Fri, April 8th
The Idea Lab was formed to tap into the collective wisdom of the Johns Hopkins community to shape the trajectory of the university. Last year’s cycle of the Idea Lab featured two challenges that sparked over 30 ideas and 4,400 votes from students, faculty, and staff across the Hopkins community. The 2016 cycle launches on Mon, March 21st and will feature three challenges: the Diversity Innovation Grants, the Ten by Twenty Challenge and the new Hopkins Eco-Smart Acorn Grants.

How does it work?
- Sign in to the JHU Idea Lab community using your JHED ID and password
- Submit your idea, vote for an existing idea, or join a discussion underway
- The ideas with the most votes will receive funding, as may some of the others

Participants have approximately three weeks to submit ideas – put your thinking caps on – submissions deadline is Fri, April 8th! Get started here. Questions? Contact idealab@jhu.edu.

PRESENTATIONS, TRAININGS, WORKSHOPS AND CONFERENCES

24. Register for Annual Service-Learning and Civic Engagement Conference (SLCE): Sat, Apr 2nd
The Service-Learning & Civic Engagement Conference (SLCE) is an annual event hosted by a network of universities and individuals dedicated to creating strong civic engagement, service-learning, and community partnerships in the Maryland and DC area. The 2016 SLCE conference will be held on Saturday, April 2nd at the Universities at Shady Grove. Learn more about the conference at the website. Registration for students is just $10 for students. Registration for faculty is just $25 for faculty. Registration for all community partners is just $25. Registration includes access to all events as well as breakfast, lunch, and a reception.
Registration deadline: March 18, 2016. To register, click here.

25. The Nuts and Bolts of Community-Based Participatory Research: Fri, Apr 8th 8:30am-3:30pm
The Research Participant Community Partnership Core of the Institute for Clinical and Translational Research and the Center to Reduce Cancer Disparities are hosting a free workshop, “The Nuts and Bolts of Community-
Based Participatory Research,” on Friday, April 8, from 8:30 a.m. – 3:30 p.m. at the Johns Hopkins School of Nursing, Carpenter Room. All faculty, research staff, and community advisory board members are encouraged to attend. The workshop will introduce community-engaged research principles, illustrate how those principles are put into action and offer skill-building sessions on grant writing, community boards and research dissemination. The workshop is free, however registration is required. To register, visit http://tinyurl.com/nutsandboltsworkshop. To view presenters and agenda topics view the flyer here. For more information, please contact Crystal Evans, cevans20@jhmi.edu.

26. How Can Future Healthcare Professionals Improve? Find out at the Veteran’s Healthcare Panel: Mon, Apr 18th 4pm-6pm
JHU School of Nursing (SON) will host a number of amazing military veterans on Mon, April 18th. The veterans will be speaking to and answering questions on their healthcare. Specifically, they will focus on mental health care in the military and how those mental health care trends continue after they are discharged. They will address topics such as PTSD, suicide prevention, disability, traumatic brain injuries, and chronic diseases. They will also address how we, future health care providers, can improve on these issues. The panel will take place at JHU SON on Mon, Apr 16th from 4pm-6pm, Room 9/10. Food will be served and over $600 in gift card donations from local businesses will be raffled off! For more information click here. RSVP at www.eventbrite.com/e/veterans-healthcare-panel-tickets-22715312110.

27. 5th Annual Symposium on the Social Determinants of Health: Race, Racism and Baltimore’s Future: Mon, Apr 25th 8am-6pm
In September 2015, a group of Baltimore’s business, religious and philanthropic leaders placed a series of full-page ads in local newspapers, asserting “THE TIME IS NOW” for “real, inclusive and transformative change.” The ad campaign was intended to spur conversation about structural racism. On April 25, The Johns Hopkins Urban Health Institute and the JHU Office of the Provost will host a day-long event to have that conversation. The symposium will consider how racism in our criminal justice, healthcare and education systems affect people of color in Baltimore every day, with an impact that spans generations. Race, Racism and Baltimore’s Future: A Focus on Structural and Institutional Racism will bring together experts from Johns Hopkins, Baltimore and cities all over the country. Along with local community leaders, they will explore new approaches to understanding these forms of racism and ways to address them through collaborative efforts. Online registration before the event is $15; same day registration at the event is $20. The event will be held at the Turner Auditorium on the JHU School of Medicine Campus, 720 Rutland Ave, Baltimore, MD 21205 on Mon, Apr 25th from 8am-6pm. For more information and to register visit UHI Annual Symposium on the Social Determinants of Health.

Drug overdose is a growing national epidemic. In many states, there are more people dying from overdose than are dying from car accidents, suicide and homicide. The Baltimore City Health Department unveils its newest tool for combating opioid overdose death; online naloxone training and certification – the first such training of its kind in the country. Now, anyone in Baltimore can get certified to save lives with naloxone-the overdose reversal antidote-in under ten minutes from their homes, library, or anywhere else with internet access. Immediately after the training, residents can go to their neighborhood pharmacy and be given naloxone-without a doctor’s prescription. Join the Baltimore City Health Department is saving lives. Go to dontdie.org/getcertified. It will take less than 10 minutes of your time to get certified.

LOCAL EMPLOYMENT

29. Charm City Clinic, Inc. Seeking Executive Director: Application Deadline March 25th
Charm City Clinic, Inc. (CCC) is a 501(c)(3) nonprofit organization founded in September 2009 by Baltimore community leaders and students, with the goal of helping low-income residents access sustainable, high-quality health care and other social services. The mission of Charm City Clinic, Inc., is to accompany residents of low-income communities in Baltimore through the process of attaining and sustaining access to high quality health care. They concentrate their efforts on building robust partnerships with clients to advance their aspirations for well-being. The Executive Director reports to the Board of Directors, and is responsible for the organization's consistent achievement of its mission and financial objectives. To lean more, click here.
30. **Health Leads Baltimore Hiring Full-time Program Fellow**

Health Leads seeks a mission-driven, high performing individual to contribute to Health Leads’ success in Baltimore, MD by supporting the consistent delivery of high quality program results for limited income individuals and families. The Health Leads Program Fellow will help ensure that Health Leads fulfills its mission to connect patients to the basic community resources they need to be healthy and, in doing so, build leaders with the conviction and ability to champion quality healthcare for all patients. This full time eight month Program Fellow will be primarily based out of the Health Leads desk located in the Johns Hopkins Children’s Center at the Harriet Lane Clinic.

**Responsibilities:**

**Support Health Leads Program Logistics**

Under the supervision of the Program Manager the Program Fellow will support the delivery of consistently high quality program results by extending the capacity of Health Leads’ staff to manage the logistics and administration of team operations. Such operations will typically include: Advocate management and support; pre-service and in-service; Advocate training; managing Advocates through the volunteer clearance procedures of our partner clinic and, management and strategy development of resource database.

**Staff desk operations**

Program Fellow will carry out some Advocate responsibilities at the desk, which may include holding a caseload, completing client enrollments, and maintaining high quality clinical communication with referring providers.

Interested applicants can [apply online](http://healthleadsusa.org/). For more information, contact Liz Winters at lwinters@healthleadsusa.org.

For more information about Health Leads, please visit [http://healthleadsusa.org/](http://healthleadsusa.org/)
