Volunteering at Health Care for the Homeless

Thank you for your interest in volunteer opportunities with **Health Care for the Homeless**. Please read through the following information. If you are interested in volunteering please go to our website at www.hchmd.org, click on **Ways To Help**, and then click on **volunteer**. Please complete the volunteer application found on that page and email it to geraty@hchmd.org

Volunteers make a difference: In addition to the hard work of more than 130 paid staff, the mission of Health Care for the Homeless is advanced by a dedicated group of volunteers. Whether serving in a leadership capacity, delivering clinical care to HCH clients, organizing our annual fundraising event, greeting clients at the front desk, advancing our policy work, or assisting with administrative tasks, volunteers enrich our work.

How can I volunteer? We are located at 421 Fallsway, Baltimore, MD. Check our webpage at www.hchmd.org

Administrative and "behind the scenes" volunteer work: We frequently have opportunities for volunteers to work with our administrative teams assisting with filing, preparing various documents, making charts, answering the telephones, etc. We also use volunteers to greet clients and escort clients through the building.

Clinical volunteers: Many prospective volunteers are interested in opportunities to work directly with clients in a clinical or outreach capacity. These opportunities are extremely limited and often **require that you maintain liability insurance. Physician opportunities:** If you are a practicing physician with medical liability insurance, there may be ways you can help. HCH particularly need subspecialists willing to see our clients on a limited basis in private practices.

Student Internships. You might want to consider an internship or field placement if you are a student in the medical or mental health field. If you are a student, please check with your school first to see if HCH is an appropriate placement. If so, call our **HR Director at 410-837-5533 ex 1304.**

HCH Board of Directors: HCH is guided by a diverse 36-member volunteer Board of Directors with experience in homelessness, medicine, addiction, mental health, social work, administration, fundraising, finance, law, and other disciplines. Board nominations are made annually by the Board Nominating Committee.

Chocolate Affair and other fund raising events: We always need dedicated volunteers to help with fundraising, especially to help organize our annual fundraising event, *The Chocolate Affair*. If you are interested in joining the *Chocolate Affair* event planning committee, or being involved in other fund raising events or 3rd party activities to benefit HCH, please email our Development Coordinator at kfeldt@hchmd.org
