Dear Interested Volunteer,

Let me begin by saying thank you! On behalf of all of us here at City Steps and the clients we work to help, thank you for expressing an interest in our program. It is people like you that form the foundation for the work that we do to improve the lives of so many people living in the Baltimore community. This letter will provide you with more information about City Steps, the application process, as well as an application for you to fill out. Hopefully this will address any questions or concerns that you have.

**A Brief Description of City Steps**

City Steps Programs serve homeless or unstably housed Baltimore area youth, ages 14-24 who are motivated to make their lives more productive. We have 2 transitional housing sites--Carriage House for single young men and women, ages 18-21, and Geraldine Young Family Life Center for women and their children, ages 18-24. We also run a street-front Youth Resource Center, where emergency services, support groups, case management and life skills education are available for youth ages 14-24.

**What Will I Be Doing As A Volunteer?**

The volunteer program works to maintain a well-trained complement of individuals to assist the AIRS staff in meeting the needs of the clients in our programs. This involves providing services, developing resources, and advocating for individuals and families with HIV/AIDS in Baltimore City. We can’t do it alone! It is important to remember that volunteers are not required to perform all of the duties of paid staff. We encourage each volunteer to work at his or her own comfort level and to let us know what that is. City Steps promotes and supports every volunteer’s right to a meaningful, challenging, and satisfying experiences with us.

Here are just a few of the opportunities that are available as a City Steps volunteer:

**City Steps Life Skills Team** - provide life skill support in an area of your expertise; such as nutritional counseling, financial literacy, effective communication, stress and anger management, hygiene, interview skills, and legal awareness to youth (17-24 year olds) enrolled in the program. Volunteers can expect to serve an average of 6 hours/month. Hours will be variable and may include daytime and evening hours. (5-7 positions)

**City Steps Tutors** - provide one-on-one support in basic level math, English, etc, to youth preparing to take their GED Examinations. Volunteers can expect to serve an average of 2-3 hours/week during evening and weekend hours. Hours will be variable and may include daytime, evening, and weekend hours as agreed upon by the volunteer and his/her partner. (5-7 positions)

**City Steps Mentors** - spend intentional relationship building time with youth providing emotional and social support as they work toward successful, independent living. This may encompass meeting at an
area restaurant or at City Steps. These services could include but are not limited to assisting with home chores, shopping, transportation, tutoring, and companionship. Volunteers can expect to serve an average of 3 hours/week. Hours will be variable and may include daytime, evening, and weekend hours as agreed upon by the volunteer and his/her partner. (5-7 positions)

**Recreation/Fellowship Coordinator** - plan and coordinate client outings and retreats. The coordinator can expect to serve an average of 10 hours/month. Hours will be flexible, with the coordination occurring from home and the remainder occurring on site during the events. (1 position)

**Recreational Event Volunteers** - hands-on volunteers to serve during the events described above. These roles will vary by event and will be published in the HopeSprings monthly newsletter. Volunteers should plan to serve from 3-5 hours on site during the event. (position numbers vary by event)

Again, this is only a partial list of the opportunities that exist at City Steps. Aside from these, we are always looking for new and creative ideas!
