THE LINES BETWEEN US

with author Lawrence Lanahan

"The Lines Between Us is a riveting narrative that compels reflection on America's entrenched inequality—and on where the rubber meets the road not in the abstract, but in our own backyards. Taking readers from church sermons to community meetings to public hearings to protests to the Supreme Court to the death of Freddie Gray, Lanahan deftly exposes the intricacy of Baltimore's hypersegregation through the stories of ordinary people living it, shaping it, and fighting it, day in and day out."
