Social Justice: What’s Your Function?

This workshop is designed to identify gaps in understanding of methods of justice application in practice & research. A foundational introduction to key terms, concepts, examples and case studies for application will be shared with participants. A pre/post-test will be administered in order to gauge pre/post knowledge. The results will be used to inform course design in the 2020-21 academic year.

WHO
Led by Dr. Lauren Parker and Keilah A. Jacques

WHAT
Lunchtime Seminar (Lunch Provided)

WHEN
Thurs, March 26, 2020 | 12:00 - 1:20pm

WHERE
Hampton House Room 901
