Name of Organization: Strong City Baltimore

Mission: Building and strengthening neighborhoods and people

Programs and Services: Adult Learning Center, Neighborhood Programs, 29th St Community Center, Strong City Baltimore AmeriCorps VISTA, Community Schools, Nonprofit Business Services, and Community Wealth Building

Inspiration: We are inspired by the unwavering belief that Baltimore is a strong city, full of extraordinary neighborhoods and resilient, creative people.

Greatest Asset: Our people: the talented employees, dedicated volunteers, reliable partners, steadfast students, and community members and clients who serve as a daily reminder that this work is vital

Biggest Challenge: Our biggest challenge as an organization is overcoming the prejudices and misperceptions about this city. We are motivated to show the public how strong a city Baltimore truly is. The work we do is in large part about shifting those perceptions. It is embedded in our mission and even in our name.

Volunteer and Work Opportunities: Volunteer opportunities are same as above. Work opportunities can be found on our Employment page.
