Anyone can get and give Coronavirus!

Protect yourself and the people you love!

Don’t pass it! You could get it.

Don’t share it! You could give it.

Don’t dap it! You could die.

Keep 6 feet from other people.

Avoid physical contact with other people. Things like: dapping, hugging, kissing, & sharing cigarettes.

Wash your hands with soap and water or use hand sanitizer after touching common surfaces.

Blow your nose or cough into a tissue and throw it away in a garbage can.

Remember to cover your face when you go out in public to reduce the risk of spreading Coronavirus.

For food or medical assistance, call 211.
Make sure to call ahead to any health facility before going!
